

S E N S E S

restaurant

Introduction

The team specializes in creating unconventional menus, which highlight the culinary artistry of the team. Their menus all tell a story and contain unexpected combinations. The dishes are made using the freshest seasonal and where possible sustainable ingredients.

Based on the dishes, the sommelier has made a special selection of wines from all over the world.

Well-known wineries, lesser-known, and special wines are selected for their exceptional quality and durability.

In addition to the wines by the bottle, it is possible to guide you with a wine pairing which stimulates the five senses in combination with the tasting menu:

Wine pairing:

6 - courses € 54

5 - courses € 46

4 - courses € 37

With hospitable regards,

The sommelier
