

INTRODUCTION

The team specializes in creating unconventional menus that highlight their culinary artistry. Their menus all tell a story and contain unexpected combinations.

The dishes are made using the freshest seasonal and sustainable ingredients. Based on the dishes, the sommelier has made a special selection of wines from all over the world.

Well-known wineries, lesser-known vineyards, and special wines are selected for their exceptional quality and durability. In addition to the wines by the bottle, it is possible to guide you with a drink pairing that stimulates the five senses in combination with the tasting menu.

Wine pairing:

6 - courses	€ 54,00
5 - courses	€ 46,00
